Description

We are pleased to present a flat on a charming, modern estate in Chwarzno-Wiczilino district.

The flat is in good technical condition, it does not require faience.

From the living room there is an exit to the garden of 39 m2.

To the flat belongs a storage unit in the price of 15 000 PLN.

The estate is surrounded by villa buildings harmoniously merging with the ravine of the Wiczliński Stream. This contributes to the unique panoramic character of the flats, and **the natural surroundings of the Tri-City Landscape Park** provide an ideal base for family recreation and active leisure. Its style harmonises with the surrounding residential buildings. Intimate buildings clustered around spacious inner courtyards and fenced patios closed for traffic provide private spaces for rest and safe play for the youngest residents.

Nearby is a convenient retail and service infrastructure, bus stop, school, kindergarten.
