## Description

Attractive premises of 195 sqm in the centre of Radom for rent. The premises are in developer's condition. This gives many possibilities of arrangement and adaptation of the premises for a specific business activity. The new commercial-service-office building is located in a very busy street with very high vehicular and pedestrian traffic. The premises have mechanical ventilation and underfloor gas heating (re-invoiced). There is a possibility of separating a smaller area. Rent price 50 PLN net/m2 - negotiable. The amount of rent will depend on the term of the lease and the size of the leased space. It is also possible to deduct from the rent the partial outlays for adaptation purposes or to obtain an exemption from rent for a period agreed by both parties concerned. I encourage you to view.
