Description

A unique opportunity to lease space in a shopping mall.

The attractive rental price of 40-60 PLN per sq m, depending on the location of the premises, includes all costs of maintaining the space, such as heating, air-conditioning, security, use of common area, water. The only thing to be added to the rental price is the electricity charge as indicated by the meter (each unit has a separate electricity meter). Premises on the ground floor with different areas (27-40m²) are available for rent.

We offer an area on the first floor suitable for retail activities, any service activity and for an office.

Ideal for online shops as a warehouse and at the same time a stationary shop!

There is a possibility to enlarge the space and individual approach to each interested party. We anticipate up to 6 months of start-up (lower rent to start!).

The property has excellent access and its own large, free car park.

Cooperation with our company is completely free of charge for tenants. We will help you find the right space for you.

Feel free to ask questions and come to a presentation!
