Description

ATTENTION!!!

To rent a beautifully decorated, equipped, with all receipts functioning dental office. The office can be taken over immediately with all equipment and furnishings. The equipment is included in the price of the rent, which seems very attractive.

The premises are very tastefully furnished with high-quality materials.

In front of the premises a beautifully landscaped patio. The office is located in an affluent neighbourhood of single-family houses which will have an impact on potential patients, to be rented with a patient base. There is no competition in the area.

The office does not require any financial contribution. Super opportunity - I invite you to a presentation.

REALLY WORTH IT!!!
