Description

An office in a Medical Clinic of 85 m2.

The clinic is located in a new building of a high standard. The building houses several NZOZs, Specialist Clinics, Private Offices and a Pharmacy. A lift has been installed for the convenience of patients and wheelchair users, and the waiting rooms are spacious and well-lit.

The pleasant design and functionality of the interiors further encourages patients to choose the facility as a place for medical advice and examinations. The vacant premises of 85 m2 are located on the first floor of the building.

The room is in a developer state, to be arranged according to personal taste. Only the floor is tiled, but it is possible to divide the costs of finishing the office between the Tenant and the Facility Owner. Rent 30 PLN/m2 + VAT - negotiable. Fixed charges should be added to the rent (office with common area - area of 41 m2) and counter charges for water and electricity.

The high standard of air-conditioned rooms and a number of specialists attract a growing number of patients to the facility, which is why the surgeries in this building enjoy growing interest from tenants. I recommend and encourage to talk to the Owner.
