## Description

The premises are located in a 3-storey historic townhouse. The large area creates great possibilities for arranging the premises and creating an office with a unique atmosphere. The premises are located on the third floor and consist of seven rooms, including one of 90 m<sup>2</sup>. On the attached floor plan, the free areas are framed in green.

A computer and telephone installation is distributed in the walls of the rooms, which can be used to create your own network. Possibility to connect both telephone and internet.

Private, fenced parking for 12 cars behind the building.

The high standard of the building is illustrated by the attached sample photographs.

**Rent only 16 PLN/m<sup>2</sup> + VAT.**

To the rent should be added utilities charges: water, rubbish, electricity, monitoring with individual access code, heating from RADPEC, optional office cleaning 2 times a week.

I recommend and invite to the presentation.
