Description

Are you looking for a place to grow your business that is flexible to the changing rhythm of your work? We invite you to discover the possibilities offered by our modern coworking office, designed for dynamic companies committed to flexibility and the highest level of service.

Here are the main advantages we have prepared for you:

Premium location: Located in the business centre of Warsaw, this A+ class building, near the Daszyńskiego and UN roundabouts, ensures not only the prestige of the address but also the convenience of access.

Finished Offices: We offer offices with a high standard of finish that guarantee maximum working comfort and are ready for immediate use.

Conference rooms: We provide access to fully equipped conference rooms to meet the business needs of the most demanding clients.

Full Package At A Price: We offer all utilities, including high-speed internet and electricity, at no extra charge as part of the monthly rental rate.

Rotational Working: Our workspaces allow one workstation to be used by several employees, ideal for rotating teams.

Shared Spaces: For work comfort and moments of relaxation, chillout areas and cubicles are available for concentrated work or confidential conversations.

Professional Reception Service: We are ready to provide administrative support to ensure that every day in the office runs smoothly and seamlessly.

Transparency of Costs: Our billing policy is transparent - fees are adjusted according to the number of workstations used.

Daily Cleaning: We'll make sure your workplace looks impeccable every day.

Facilities included in the Price: Included in the price are hours of access to meeting rooms and other services to facilitate your day-to-day business.

Flex Position: We provide the opportunity to rent a single desk in an access-controlled office from as little as £1,000 per month.

Company Registration: Your company can boast an address in a reputable location.

Parking: Public parking is available for you and your guests.

If you require personalised solutions, such as a dedicated internet connection, personalised décor or specially designated rooms, our team of experts is ready to tailor lease terms to your company's unique requirements.

We encourage you to get in touch so that we can prepare an offer that will not only meet but even exceed your expectations, helping you to run and grow your business.
