Description

For rent office and service premises with a total area of 39 m2 on the second floor of a two-storey historic building in the very centre of the city. Very advantageous location.

The premises consist of two rooms. The toilet is shared by four premises on the floor.

Heating from the municipal network. Hot water from electric heaters.

The premises are ideal for offices or services including all kinds of offices.

Free parking for 20 cars at the rear of the building.

Rent of 1170.00 PLN net + VAT. The price already includes all utilities, i.e.: heating, electricity, water, waste disposal.

The building has an alarm.

The advantage is the freedom of working hours: the tenant receives keys to the building and can use the premises around the clock.

I highly recommend this property and invite you to the presentation.
