Description

Office premises with a total area of 65.8 m2.

On the attached floor plan the vacant areas are framed in green.

Very advantageous location in the historic part of the city. The premises are located on the first floor of a three-storey tenement house. There is a computer and telephone installation in the walls of the premises, which can be used to create your own network. Possibility to connect both telephone and Internet.

Private, fenced parking for 12 cars behind the building. Paid parking on the Market Square (parking meters) - no problems (there is always space).

Free parking spaces - in the streets directly adjacent to the Market Square (can be parked up to 50m away).

The high standard of the building is shown in the attached visualisation of the rooms .

To the rent should be added utilities charges: water, rubbish, electricity, monitoring with individual access code, heating from RADPEC, optional office cleaning 2 times a week.

I recommend and invite you to the presentation.
