Description

ATTENTION!!!

For rent premises in a modern office and service building in the centre of Radom, with an area 120 m², located on the third floor. Pleasant interiors and clean surroundings, interesting architecture. Very high pedestrian and car traffic, possibility of parking for customers. The building has several parking spaces of its own. The premises can be independently arranged. In the premises air conditioning, fibre optics, modern lift, reception, own kitchenette and a whole lot of other advantages. The premises were rented to the company CONCENTEL, so you can carry out the same activity with the possibility of buying all the equipment.

To the costs should be added only meter costs, and the minimum cost of maintenance of common areas. Rent price 35zł/m² is the net price. I highly recommend - fantastic premises.

I invite you to the presentation.

REALLY WORTH !!!
