Description

OKAZJA!

For rent office and residential premises with an area of 50.0 m2 in a building next to a newly built shopping centre, which is located on the ground floor.

The premises consist of two rooms plus a bathroom with shower and a hallway with a separate entrance from the corridor.

These rooms can be used as cosy offices or staff flats.

The new Gallery is located in the very centre of Radom. Excellent access from several sides of the city. Large car parks. The Centre will be accessed via three conveniently located exits from the main streets.

The location, as well as the proximity of prestigious companies, may be the key to success. The high volume of pedestrian and car traffic is an additional advantage for business development.

In the future, the constantly developing infrastructure next door will also increase the value of the site (the 20,000-seat stadium next door will not only promote the development of the city. It will attract people from other cities looking for entertainment, gastronomy close to sporting events).

The office premises are located in a building with direct access to the Gallery on the first and second floors. The areas of the premises range from 17 to 50,0 m2 with the possibility of combining rooms of different sizes. The building is after a general renovation.

I encourage you to contact me, I will answer your questions. The amount of space is limited.

Having an office in such a place will certainly have many advantages.

The rental price of this unique premises is only 1500 PLN/m2 plus metered costs.

RECOMMEND AND INVITE TO PRESENTATION.

REALLY WORTH IT!!!
