Description

WILSONS COMMERCIAL REAL ESTATE

Investment plot of **9,200 m2** in a very attractive location by the S8 road.

Industrial zone intensively developing near Janki and Pruszków.

Location on a busy asphalt street.

Dimensions of the plot 27 X 344 m.

Property fenced, and paved with gravel on an area of approximately 4000 m2.

Electricity connection.

ATTRIBUTES:

Its additional and undeniable advantage is that it is located between two streets. This gives an excellent transport solution, entry from the main road and exit via a local street without having to turn around. This arrangement also gives the possibility to divide it into two plots with independent entrances. In the neighbourhood modern production and warehouse buildings.

LOCALISATION:

Access from the Katowice route or from Pruszków and the A2 motorway. An interesting offer for the location of a company.

Price 3 PLN/m2.
