Market: secondary

Space: 1 322,00

Available from: 04.04.2024

Purpose of the plot: Construction

Offer number: WIL885998

Description

Niemianowice, Gózd commune

A 1322 m2 building and recreation plot, attractively located in close proximity to the Radom - Lublin route with access via a dirt road.

A charming and quiet place for a habitat or recreational house in the vicinity of a forest complex. The plot is surrounded by neighbours.

For the plot was issued a decision dated 16.04.2018r. On the conditions of development - the possibility of building a residential building.

At the plot electricity, water and space for economic ecological septic tank.

I invite you to watch.

I recommend!
