Description

Niemianowice, Gózd commune

1800 m2 building and recreation plot, attractively situated in close proximity to the Radom - Lublin route with access via a dirt road.

A charming and quiet place for a habitat, a house or a recreational cottage in the vicinity of a forest complex and several neighbouring large inhabited plots.

For the plot was issued a decision dated 16.04.2018r. On the conditions of development - the possibility of building a residential building.

At the plot electricity, water and space for an economical ecological septic tank.
In the vicinity of neighbours.

I invite you to watch.

I recommend!
