Description

Niemianowice, Gózd commune.

The plot of 3607 m2 forest-recreational, attractively located in close proximity to the Radom - Lublin route with access via an asphalt road.

As with the neighbouring plots, there is a possibility of deforesting part of the plot and obtaining development conditions for a recreational or residential house.

A charming and quiet place for a habitat or a cottage in the vicinity of the forest complex.

At the plot electricity, water and place for economical ecological septic tank.

I invite you to watch.

I recommend!
