Description

ATTENTION!!!

Building plot with an area of 3.57 ha. The area intended for residential and service development. Covered by the local spatial development plan of the city of Radom. Dzierzków" housing estate. The plot is located in a very good location. Water, light, gas, two introductions of the municipal sewage system.

On the length of about 70 meters, from the asphalt street, the width of the plot is 39 mb, and then the width increases to 48 mb.

There is a construction project for the plot, which includes the construction of single-family terraced houses, prepared and approved for implementation (jpg. attachment). A construction logbook is established. It is possible to change the original project for other investments, e.g. the construction of commercial and warehouse facilities with an area of up to 2,500 sqm. connected by connectors. I invite investors-developers for talks.

IT IS REALLY WORTH IT !!!
