Available from: 01.12.2017

Purpose of the plot: Construction

Offer number: WILg96015

Description

For sale a very attractive forest-building plot of 8000.0 m² located in Franciszków, Wolanów commune.

The plot dimensions - width 24.5 m by 326 m, such dimensions allow for a possible division with separation of the internal access road or division in half because there are two access roads. The land is located just 4.5 km. from Radom, 1.8 km. from Wolanów. Access to the plot are from the roads to Wolanów and Garno.

The plot is supplied with water from the waterworks and its own well, electricity in the street. The plot is located among other buildings, which guarantees safety.

In the part of the plot on the side of the access road there are foundations for construction of a house.

The plot on one side is wooded and in the middle of its length there is a pond.

On the plot there are foundations for a house and a gazebo or a garage.

Currently, it can be treated as a nice place to relax as well as an area for building a house, with the possibility of selling a part of it. The area and dimensions of the plot give many possibilities of land arrangement to the future owner.

Access from the borders of Radom on a good asphalt road in 10 minutes.

There is also a possibility to divide the plot.

The price for the whole plot is only 280 000 thousand./brutt.-to negotiate.

I highly recommend and invite you to the presentation and negotiation.

- REALLY WORTH IT!!!
