Description

DESCRIPTION:

Residential and commercial plot of land in Mszczonów municipality.

Area: 11 993m².

There is a local zoning plan in force.

According to the PZ, the plot is intended for single-family housing or service development.

Non-obtrusive service activities possible. It should be understood as services which are not classified as undertakings which may always and potentially have a significant impact on the environment, as defined in separate regulations, and which do not require permanent transport service by vehicles of over 3.5 t, excluding warehousing services, small production and manufacturing.

The shape of the plot is regular - rectangular with dimensions of approx. 55mx218m.

The plot is mostly wooded.

Access via asphalt road.

Good exit to S8.

LEGAL STATUS:

Ownership with land register.

LOCATION and surroundings:

Gąba, Mszczonów commune.

41 Główna St.

Surrounded by green areas.

Good exit to S8.

We work after signing an agency agreement.
